You are encouraged to share your added translations and comments to Iraqi Jewish Archive (IJA) entries through September 2014. We hope to learn more about the records from you.

- The NARA IJA staff will review all comments before posting them.
- Your comments are welcome at any time through September 2014.
- NARA will make best efforts to review comments and post them as quickly as possible.
- The National Archives will not post comments that contain abusive, vulgar, offensive, threatening or harassing language, personal attacks of any kind, or offensive terms that target specific individuals or groups.
- The National Archives will not post comments that are clearly off-topic, that promote services or products, or that promote or oppose any political party, person campaigning for elected office, or any ballot proposition.
- Gratuitous links to sites are viewed as spam and may result in the comment being removed.
- Communications made through the site's email and messaging system will in no way constitute a legal or official notice or comment to the NARA or any official or employee of NARA for any purpose.
- Personally identifiable information such as social security numbers, addresses and telephone numbers will be removed from comments by the moderators before they are posted.
- NARA does not discriminate against any views, but reserves the right not to post comments that do not adhere to these standards.
